Who are we?

Who are we? We are a DJ service provider for local party's, clubs, special events and more. Our moto is to serve people with some of the lowest rates on the Montreal Island. We have reliable DJ's, including some whom are known around the world since they are sponsored by our company.

Weekly Contests

During our after hours, we often offer many contests during the night. Every hour, for 10 hours straight of different prizes. Prizes do vary, so if you want to know what you could win come spend a night at our clubs! But one prize is this magnificent turning mix table.

Rent our Clubs

Clubs must be rented about five months prior to the date your show will be presented.

When you rent one of our clubs, we supply two DJ's sponsored by our company, but you can choose which DJ's you want to have also, but rates might have a slight difference from the original rate.

Clubs

We own five different clubs on the island of Montreal for flexibility reasons. The locations will be listed at the end of this brochure, in an orderly matter. The clubs can accommodate around 10,000 people at once, and has large dance floors also made for break dancing. If you are interested in renting one of our clubs, it is possible to do so but you must contact either Mr. Wahba or M. Villeneuve.

Sponsorship

Sponsorships are available for any DJ willing to go the distance. If you are a DJ with a good unique style, own a demo of your mixes and is interested to be part of our team, we can give you that push into the real DJ world. All you have to do is sign up for our sponsorship form on our website.
